I have appointed you as a PROPHET to the Nations, you shall go where I send you! Jeremiah 1

January 2017

Dear Partners,

Happy New Year ! We have so much to be HAPPY about! We are very excited about 2017 and what God has in place for His people. Lot's of changes are happening in our country & it is causing things to be lined up for an outpouring of revival! Keep praying! It is our time & it is God's time!

2017 Assignments!

Some questions to ask yourself:

- 1) What is my assignment for 2017?
- 2) What are my prayer assignments? My financial assignments?
- 3) What are some areas of my life where God wants to increase me in wisdom & knowledge?

One of our Prayer Assignments:

The Capitals are lining up for a SUPERNATURAL SHIFT

Israel's Capital - Jerusalem, US Capital - Washington DC, the financial capital, the entertainment capital and more. God is moving around the world. Israel has been in the news a lot lately and relations with the USA are changing because God's people are praying intensely and strategically.

God controls the course of world events; He removes kings and sets up other kings.

He gives wisdom and knowledge to those who have understanding. Daniel 2:21

We have many friends who are in the midst of changes. Sometimes when things shift in our lives we are not happy about it because it makes us uncomfortable, but remember **it is all a set-up for what God is doing.** How do I know a shift is in place? I can just feel the irritation in my spirit and it makes me a little edgy. I have to be careful who I am around and what I say during this time. I have found it is a good time to get away & pray through in the spirit. Remember God gives us wisdom to understand the plan.

God is giving you everything you have need of. He is making sure you have it ALL. He has prepared you for such a time as this. He sent you into that situation to help make some changes. The Lord has more for you than you realize. The shifts in front of you are good shifts. He has places of influence that He wants to set you in the midst of, to pray and make a difference and just you being there changes the atmosphere. He is giving you favor that will open doors, bring promotion and change circumstances and situations for Him. He has given you ideas to help build the kingdom. He has put you in this position. Soak in the Word, walk in love, stay close to those of like faith and celebrate because it is going to be outstanding!

Cyndy & I can write these things because we are using our faith, just like you. We know we are supposed to be doing more for the kingdom. We know we are supposed to be producing more materials & teaching more. Sometimes there are areas of our life that just feel like they have been stuck. Our plan is not to struggle, not get irritated, but to keep our confession right, use our faith, to keep our ears listening and to press in. There are things we can't change but God is changing them as we TAKE UP OUR POSITION!

TAKE UP YOUR POSITIONS, stand firm and see the deliverance of the Lord.

II Chronicles 20:17 NIV

In the midst of preparing for 2017 the Lord opened the door for us supernaturally to go on a Prayer Journey to some specific Capital cities in Europe. At the end of April right after Easter we are going to the following capitals to pray:

- 1) London, England
- 2) Dublin, Ireland
- 3) Berlin, Germany
- 4) Amsterdam, The Netherlands
- 5) Brussels, Belgium
- 6) Paris, France

We are researching the history, the revivals and asking God what we are to pray in each city. God is revealing more to us. We want you to be a part of this journey by praying with us.

We are living in Fillionaire Status!

We want to thank our partners for standing with us, praying for us, believing in us and for your giving. As you sow toward 2017 know that your place of influence and your position is increasing. We are all in this together! We love you & are praying for you. Please send us your prayer requests & your assignments from the Lord so we can be in agreement with you. We are looking forward to an outstanding 2017 for ALL of us!

Reaching Nations & Generations!
