I have appointed you as a PROPHET to the Nations, you shall go where I send you! Jeremiah 1

March 2017

Dear Partners,

How many miracles would you like? One? One a day for a week? How about an endless supply?

The word of the Lord came to me one day and He said:

Don't Budget Your Miracles!

Now that's a revelation isn't it? Budgeting money or time is required if there is only a limited supply of either. God doesn't need to budget because He has an unlimited supply available to all of us, and He is our Heavenly Father!

Look at Genesis 41:49 NKJV *"Joseph gathered very much grain, as the sand of the sea, until he stopped counting, for it was immeasurable."*

That is a sharp contrast to Genesis 42:5 NKJV *"And the sons of Israel went out to buy grain among those who journeyed for the famine was in the land of Canaan."*

Joseph had an immeasurable supply, but his brothers were running out and had a budget they were forced to stay within to buy grain or they would not make it. Have you ever been to the grocery store and you had a specific budget that you had to stay within? It isn't any fun is it? What do you do, if you get up to the front to check out and you only have so much cash & you spent more than you have? Ouch! You have to put things back or you have to go over your budget and write a check or use a credit card.

In our society we are taught to make budgets. We make budgets for:

- ☒ Our monthly finances
- ☒ Our schedules & times of school & work
- ☒ Our Children & their needs
- ☒ Our Vacation Plans for the future

God doesn't want us to put ourselves in a box that creates pressure, He wants us to look to Him and use our faith. God has supernatural miracle supplies stored up for you, so why would you want to struggle and try to make your natural supply take care of everything in your life. Don't budget your miracles!

Listen to the miracle that God gave Joseph's brothers:

Joseph then ordered his servants to fill the men's sacks with grain, but he also gave secret instructions to return each brother's payment at the top of his sack.

He also gave them supplies for their journey home. Genesis 42:25 NLT

God is saying:

According to your faith be it unto you. Let your heart believe in my love. Let your spirit rise up and take hold of my grace and power. If you could have done it with your own resources, you would have already done it. I want my glory to shine forth, as miracles show up for you. Reach out and receive my willingness and my ability to do miracles. Learn to press in and step into my flow in a whole new way. Meditate on the Word and let it grow strong in you. Let me show you who I am — Your healer, your provider, your Father! Receive your miracles today!

Cyndy & I know about miracles! We don't have regular pay checks from a church or job. We work, minister & encourage people everyday and God supplies for us. We are believing God for an unlimited supply to finish our new book **which is about a \$20,000 faith project**. We are doing the final edits now & we self-publish our books, we pay for the time, editing, design and printing ourselves. The more we print, the better the price we get per book, so we are believing God for His unlimited supply to cover it all! It is exciting to see God do a miracle. If you want to help be a part of the miracle that would be awesome! We will be sending out signed copies, as soon as we get them, to those who sowed!

Get ready to move out of budget mode into unlimited supply!

We are so grateful for our partners ! You are in our prayers! It's such a privilege to take the good news of Gods miracle power around the world, helping people soar over circumstances and situations in life. We are looking forward to this spring with great anticipation of ALL God has planned! We are all in this together!

Reaching Nations & Generations!
